

## To the Birdhouse

Newlywed Alice Brody appears to have the perfect life. The one fly in the ointment is her mother's detestable boyfriend, Louie Scifo: champion of incredibly bad taste and a bona fide stalker. After Alice's mother cuts him loose, Louie's determination to win back her love casts Alice's whole family into disarray. So Alice embarks on a mission to rid her mother of Louie once and for all, in this rambunctious comedy of manners that is at once dizzying, hilarious, authentic, and original (Washington Post Book World).
