

The Bizarro Starter Kit (Red)

There's a new genre rising from the underground. Its name: BIZARRO. For years, readers have been asking for a category of fiction dedicated to the weird, crazy, cult side of storytelling that has become a staple in the film industry (with directors such as David Lynch, Takashi Miike, Tim Burton, and Lloyd Kaufman) but has been largely ignored in the literary world, until now. The Bizarro Starter Kit features short novels and story collections by ten of the leading authors in the bizarro genre: Brian Allen Carr, Violet LeVoit, David W. Barbee, Shane McKenzie, J. David Osborne, Kirsten Alene, Robert Devereaux, Douglas Hackle, Eric Hendrixson, and Nick Antosca.
