

Rough Guide Directions Amsterdam

The Rough Guide to Amsterdam is an indispensable guide to this compact and instantly likeable city. Described in the introduction as an intriguing mix of the parochial and the international, Amsterdam has a welcoming attitude towards visitors shaped by the liberal counter-culture of the last four years. The Rough Guide introduction highlights 23 Things Not to Miss, from elegant canalside architecture and vibrant markets to outstanding art collections and traditional bars. The heart of the guide provides detailed listings, practical information and entertaining accounts of the city's sights. Supporting the text are maps and plans covering the entire city, many in full colour and keyed with bars, restaurants and clubs.
