

The Best Of Ambrose Bierce: The Damned Thing + An Occurrence at Owl Creek Bridge + The Devils Dictionary + Chickamauga (4 Classics in 1 Book)

This carefully crafted ebook: The Best Of Ambrose Bierce: The Damned Thing + An Occurrence at Owl Creek Bridge + The Devils Dictionary + Chickamauga (4 Classics in 1 Book) is formatted for your eReader with a functional and detailed table of contents. This ebook is a complete collection of 4 Classics stories. The Damned Thing is a story focuses on how the human race takes their views of nature for granted, and how there may be things in the natural world that the human eye cannot see or the human ear cannot hear. An Occurrence at Owl takes place during the war of the 1860s between the American states of the North and the states of the South. A group of soldiers is hanging a Southern farm owner for trying to stop Northern military movements across the Owl Creek Bridge. In the last moments of his life, the Southern prisoner dreams he has escaped; and everything that happens in the story is really only the work of the prisoners brain just before he dies. One of Bierces most famous works is his much-quoted book, The Devils Dictionary, originally a newspaper serialization which was first published in book form in 1906 as The Cynics Word Book. It offers an interesting reinterpretation of the English language in which cant and political double-talk are neatly lampooned. Chickamauga was first published in 1889. Its about an innocent child who stumbles into unspeakable horror during the battle. Ambrose Gwinnett Bierce (1842 1914?) was an American satirist, critic, poet, editor and journalist. Bierce became a prolific author of short stories often humorous and sometimes bitter or macabre. He spoke out against oppression and supported civil and religious freedoms. He also wrote numerous Civil War stories from first-hand experience. Many of his works are ranked among other esteemed American authors like Edgar Allen Poe, Stephen Crane, and

Mark Twain.
