

The Delaney Christmas Carol

This Christmas, celebrate the joys of the season with a trio of exquisitely crafted, richly romantic tales by three of the brightest stars in contemporary fiction. Filled with passion, drama, and a touch of magic, this festive gathering of classic stories, available for the first time in 10 years, tells about the lives and loves of one unforgettable family and the enchanted heirloom that links one generation to the next.

Christmas Past by Iris Johansen Killara, Arizona, 1893. Kevin Delaney had heard his share of tall tales, but none could match the one told by the Gypsy beauty he found rummaging in the attic of Killara, his familys estate. The waif claimed to have traipsed halfway around the world simply to recover an old, long-forgotten mirror. But Zara St. Cloud knows it is no ordinary mirror, and she can see that the striking Delaney is no ordinary man. While he doesnt believe her talk of mystical relics and fortune-telling, theres no doubt that a kind of magic is at work on his heart.

Christmas Present by Fayrene Preston True love remains elusive for Bria Delaney. But when she joins her parents at Killara for the holidays, Bria discovers an unusual mirror that reveals far more than her reflection. Appearing in the glass is a startlingly handsome man who just as mysteriously disappears, until she meets him in person that very night. Kells Braxton is visiting on business, but the desire he stirs in Bria is anything but professional, and the mirror foretells their every intense encounter, leading to a Christmas they?ll never forget.

Christmas Future by Kay Hooper A heartbreaking vision in the legendary Delaney mirror drove Brett Delaney to the other side of the world years before. Now his fathers death brings him part of his inheritance: the mirror, and the unbearable prophesy it offers, sends him home to Killara this Christmas, determined to save the home he loves and the woman hes always loved.
