

## The Devils Waters (A USAF Pararescue Thriller Book 1)

A giant freighter in the Gulf of Aden holds secret cargo that could bring down the governments of four nations. When Somali pirates grab the ship, the order comes down: get the freighter back, at all costs. Only one combat group is close enough to respond before the hijacked freighter reaches Somali waters: the elite US Air Force pararescue unit the PJs stationed in Djibouti. Though their mission is to save lives, and their oath is That Others May Live, the PJs are battle-tested. The team doesn't hesitate because one of their own, Sgt. LB DiNardo, is already onboard the hijacked ship. LB has three tasks: provide intel on the pirates, stay alive until the team arrives, and withstand the humiliation of breaking the PJs cardinal rule: Never be the one who needs rescuing. At the head of the pirates is the shrewd and ruthless Yusuf Raage, a clan leader who will sacrifice anything and anyone to keep his captured ship. The PJs have a mere hour to take down the ship before the Air Force blows it up. Even if they survive the wrath of Yusuf Raage, more secrets and danger await them.
