

My wifes best friend wears better lingerie than her

Pierre Coda, the author of dozens of books and short stories with characters from Japan, now brings the account of a married American man seduced by a Japanese American lady, who happens to be the best friend of his Asian wife. He was one happy married man and she did not want to change that -- after all his wife is her best friend -- but she still got what she wanted from him. Her collection of lingerie was just a tool that she used to seduce him.
