

The Famous Union: Humorous Contemporary Fiction

A place where what is what is not. But what is...is fast and funny. Famous Union College is a place where compromise is a four-letter word. It is a pretty little college with expensive fountains, cute coeds, and brand new artificial turf on the football field. It seems like the perfect place to work, but not all is as it seems. The fast-paced, laugh-out-loud funny, upbeat writing style instantly drew me in and never let go. (Donna Johnson) What a hoot! (Maryann Watkins) From the author of the endearing story THE SURVIVAL OF MARVIN BAINES.
