

## The Flight of Gemma Hardy: A Novel

The resonant story of a young woman's struggle to take charge of her own future, *The Flight of Gemma Hardy* is a modern take on a classic story Charlotte Brontë's *Jane Eyre* that will fascinate readers of the Gothic original and fans of modern literary fiction alike, with its lyrical prose, robust characters, and abundant compassion. Set in early 1960s Scotland, this breakout novel from award-winning author Margot Livesey is a tale of determination and spirit that, like *The Three Weissmanns of Westport* and *A Thousand Acres*, spins an unforgettable new story from threads of our shared, still-living literary past. Gemma is real as simple as that. And through her eyes we see step by step what it means... to take possession of one's own life. David Wroblewski, author of *The Story of Edgar Sawtelle*
