

The Four Graces

No Matter What Life Throws at Them, the Grace Sisters Always Have Each OtherThe four Grace sisters-Liz, Sal, Tilly, and Addie-love their quiet life in the country village of Chevis Green. To some, their insular world might seem dull, but the sisters and their father, Mr. Grace, never seem to run out of conversation, jokes, and pleasant ways to pass the time together. They truly are the happiest of families. That is, until Aunt Rona comes to town. Rona intends to stay with the Graces indefinitely, and her superior, meddling attitude immediately sets the sisters teeth on edge. Throw in another unexpected houseguest, some potential suitors, and a case of mistaken intentions, and the members of the Grace family suddenly find themselves quite out of their element. Will they manage to make it through the summer and return to their quiet ways? Or will their close-knit family change forever?The Four Graces is another heartwarming tale from D.E. Stevenson, beloved author of Miss Buncles BookReaders Love The Four Graces:Reading D.E. Stevenson is simultaneously profoundly entertaining and heart-wrenching.
