

The Gifted: A New Edition of Terri Blackstocks Classic Tale

Three friends whose lives needed a jolt... An earthquake that struck without warning... A supernatural gifting of mysterious powers... The Gifted is one of Terri Blackstocks most intriguing novels. A massive natural disaster leads to an even more earth-shaking supernatural transformation in the lives of three friends who have no idea why they've been spared or infused with these distinct gifts. One thing is certain...the earthquake was just the warm-up for what lies ahead.
