

## Speed Toys for Boys: (And for Girls, Too)\_ (Woodworking Classics)

Timeless projects appropriate for both boys and girls are presented in this reprint of a classic woodworking guide. Complete plans and instructions, many of which are simple enough for older children and teenagers to follow, are provided for constructing pushmobiles, sleds, and scooters. These nostalgic projects will appeal to grandparents looking to construct carts and wagons for their grandchildren, as well as hobbyist woodworkers.
