

The Godling Club

PARANORMAL ADVENTURE. 14-year-old Jeni Tanaka just wants to belong. To something. To anything. But right when shes about to join the cool girls clique, she suffers an embarrassing seizure--brought on by an ancient Japanese goddess trying to possess her. When she wakes up, the girls are gone, but a mysterious boy appears, claiming to be the godling to a Native American creation god. He tells Jeni that she has threatened all of existence by rejecting her goddess. What follows is a whirlwind adventure, as Jeni criss-crosses the globe, trying to save her kidnapped mother, restore balance to the universe, and join... THE GODLING CLUB.
