Vampire Richard Sebastian Stuart, the sixth Earl of Lyon has supped from the finest necks in England, but when he encounters an innocent maiden named Lily, desire turns to lust, lust to passion, passion to obsession. He will do anything to possess her, even strike a deal with the devil himself. One taste will never quell his aching hunger for the one and only woman, strong enough to tame the insatiable beast within and become his eternal mate. Lady Lily Devlin has no intention of being anyone's possession. She saw how that kind of love destroyed her mother. Lily hasn't met a man that she couldn't thwart. She's determined that Lord Lyon will be no exception, but she didn't count on his single-mindedness or his...insatiable appetites. (LORDS OF THE NIGHT 2: ROSES RAPTURE) REVIEWS
