

The Hammer of the Scots: (Plantagenet Saga)

The seventh book in Jean Plaidys wonderful Plantagenet series, telling the story of King Edward I. The news of Henry III's death reached his son Edward on the long road home from the Holy Land. Now he was England's king and a man fit for his destiny. Through all the years of his reign, through stark personal tragedy and chill forebodings as his son grew into a weak, corrupted prince, Edward I strove to weld a nation united from England, Scotland and Wales. When the mighty Wallace raised the Scots in arms and the Welsh Llewellyn strove for power, Edward stood firm to his resolve, still knowing in his heart how much would be lost when his crown passed down to his dissolute son ...
