

Boy Betrayed: What we are taught is wrong may not be wrong. Taboo may not need be taboo.

A 13 year old gay boy meets a man and falls deeply in love with him. He soon discovers that dirty old men and those other creepy want some candy little boy guys dont exist. His discovery angers him. He feels betrayed and wants to know why he was lied to and what is wrong with having a relationship with a man? My book is a free verse poem that has two separate endings written from the perspective of a 13 year old boy. To get back into the mindset of a being thirteen , I relaxed found myself back there and I did remember having feelings for two men. I hope you enjoy reading my book as much as I enjoyed writing it. Just as important I hope it helps you take a look at the relationship boundaries of society and their effect upon others when they choose to venture outside of them.
