

The Hidden Relic (The Evermen Saga Book 2)

With the fate of their homeland still in jeopardy, siblings Ella and Miro must face the Primates evil as he discovers a new technique: a method to extract essence from human blood. The Primate has been temporarily defeated, but his home was once inhabited by the Evermen, and their ancient secrets still remain. As the mysterious Evrin sets out to destroy everything he can, the Primate stumbles upon an ancient book that tells of a hidden relic with unfathomable power and he will stop at nothing to find it. Realizing the solution to defeating the Primate and saving the Empire is tied to the hidden relic, Ella, Miro, Killian, and the desert prince Ilathor must race to reach the relic before the Primates suffer disastrous consequences. Published in 2014, the highly acclaimed Evermen Saga is a worldwide bestseller. Revised edition: This edition of The Hidden Relic includes editorial revisions.
