

The Hitchhikers Guide to the Galaxy: The Secondary Phase (Dramatised)

A Special Edition of the original radio series *The Hitchhikers Guide to the Galaxy*, first broadcast on BBC Radio 4 in 1978 and recently voted the Nations Favourite Audiobook in a Guardian poll. Starring Peter Jones, Simon Jones, Geoffrey McGivern, Mark Wing-Davey, Susan Sheridan and Stephen Moore, these six episodes (Fit the First to Fit the Sixth) have been remastered to modern-day standards by Dirk Maggs, and for the first time feature Philip Popes arrangement of the familiar theme tune, with newly recorded announcements by John Marsh. Also included on this Special Edition is Douglas Adams' *Guide to the Hitchhikers Guide to the Galaxy*, first broadcast in 1999, which looks at the genesis and phenomenal success of the series.
