

The Lockwood Legacy Series Boxed Set - Books 4-6

The Lockwood Legacy Series Boxed Set - Books 4-6 Continue the family saga of the Lockwood sisters Kate, Jenny, and Mandy. Author Juliette Harper weaves stories of mystery, romance, and suspense set against the backdrop of the rugged Texas Hill Country. This special boxed set offers three full-length volumes, novels 3-6 in the series. **MANDY'S FATHER** As the series continues, the sisters lives only get more complicated. A mystery cousin arrives from Boston claiming to want to repair broken family ties, but as new discoveries surface in the cave in Baxters Draw, the Lockwood daughters once again have their hands full. An old enemy resurfaces, forcing Kate, Jenny, and Mandy to go on the offensive to protect not just their land, but also their lives. Then, an unexpected tragedy strikes at the heart of their world. Just as Mandy is given the chance to truly understand her heritage, a personal loss leaves her devastated. Will the chance to build a new family with new connections offer her a chance to heal? Can Kate protect her sisters even at the risk of her own life? Determined to safeguard her family and her ranch, Kate willingly puts herself in harms way. Will Jenny be forced to face the unthinkable, the loss of her sister and best friend? **IRENE'S GIFT** In the blink of an eye, the world can change. A fact the Lockwood sisters know all too well. Reunited by their fathers death, the girls have learned to trust one another first and family outsiders second. So when Kate hires her old friend, Dusty Jackson, to manage the Rocking L ranch, shes not surprised to discover Dustys brother, local banker Rafe Jackson, is going to be trouble. But none of the Lockwoods are expecting betrayal on their own land. Of all the daughters, Jennys memories are the worst. Do her fears come from old wounds, or does she see a real threat no one else recognizes? To protect herself and the family land, Jenny draws on an unexpected

source of strength - a mother's love. Even from the grave, Irene Lockwood knows what her daughters need. **JENNYS CHOICE** In a moment of stark insight, Jenny Lockwood chose to change her life. Now she must find her true path. Her search is interrupted by troubling and conflicting events that spill over into the lives of her family and friends. No one on the Rocking L can escape the fallout. Joe Mason suddenly has an opponent in the mayoral race. Questions about land ownership refuse to go away. Mandy learns that motherhood is more complicated than she thought. Kate is forced beyond her comfort zone. And a simple errand catapults Dusty into her own difficult past. The sixth installment of The Lockwood Legacy continues the family saga. The decisions made at this juncture in the lives of the three Lockwood sisters will affect their futures and that of their ranch for generations to come.
