

The Memory Book

When time is running out, every moment is precious. When Claire starts to write her Memory Book, she already knows that this scrapbook of mementoes will soon be all her daughters and husband have of her. But how can she hold onto the past when her future is slipping through her fingers...? A Sunday Times bestseller and Richard & Judy Autumn Book Club pick, *The Memory Book* is a critically acclaimed, beautiful novel of mothers and daughters, and what we will do for love.
