

El Mercader De Venecia / The Merchant of Venice (Literatura Alianza Editorial) (Spanish Edition)

El mercader de Venecia es una de las comedias mas renombradas y valiosas de William Shakespeare, en la que el autor se demuestra tan magnifico comediante como tragico. La accion se desarrolla en torno a dos ejes: la fealdad moral de Shylock y el obstaculizado amor entre Porcia y Bassanio. Aun considerando que en la comedia los conflictos humanos no llegan a los extremos propios de la tragedia, en esta obra Shakespeare los profundiza y los lleva a niveles supremos de dramatismo. Pero no faltan los elementos ridiculos, a la vez que la preeminencia de la misericordia sobre la legalidad de la justicia y el triunfo del amor. Sueno de una noche de verano, es como ha dicho un critico una maravillosa comedia fantastica, en la que en el mundo real y el imaginativo se hallan tan intimamente entrelazados, que el lector se encuentra al final con la impresion de haber tenido un sueno o vision deliciosa.
