

My First Christmas (Libby the Psychic Dog Book 1)

A fun holiday read! What happens when an English lord is reincarnated as a pudgy terrier? Lord Percival Plep was a hero in the war to end all wars, but when a bullet ends his life, he wakes to find that he has been reborn one hundred years later as a dog! When Lord Plep is adopted by an elderly woman he calls Mama, he settles into a comfortable life of watching movies and sharing Mamas snacks. He also gains a reputation as a psychic dog when he finds eyeglasses and keys for the aged residents of the mobile home park where Mama lives. When a child is lost, a neighbor asks Mama if Libby (yes, Lord Plep was reborn as a female), could use her psychic abilities to find the little girl. Using all her human and canine instincts, Libbys powers are put to the test, and Mama hopes the chubby little terrier will be able to find the girl and bring her home safe and sound. Libby the Psychic Dog in My First Christmas is a light mystery written for the young at heart. It is a short read of 11,500 words and contains an excerpt from Libbys new adventure - Mystery in the Mansion.
