

The Pilbara Affair (Ben Hood Thrillers Book 18)

The Pilbara in the searing heat of barren Western Australia is not a place for the faint hearted. Billions of dollars are made from mining iron ore for sale to the world. Who would care if two Aboriginal men are murdered so that someone can get their hands on a mine owned by a beautiful widow? Ex Police Detective Ben Hood ends up in the middle of a brutal family war which plunges him into The Pilbara Affair.
