

The Replacement Bride (Hopes Crossing Book 2)

Jesse Donovan spent the last four years chasing gold, hoping to convince his New York fiancée to join him. He's now rich, successful, and eager for his wife-to-be to make the trip out west. But now that it's time to travel to Hopes Crossing and marry Jesse, the New York socialite sends him a letter informing him of her intention to marry another. Heartbroken and lonely, Jesse contacts Matchmaker & Co. for a mail order bride. Clarissa Clare Griggs is the eldest daughter of a poor farmer who is barely surviving off the land. At twenty-three, she is an old maid and a burden on her family. Clare knows what love looks like, and she wants a family of her own. Volunteering as a mail order bride seems to be the perfect answer to her dilemma. Her family will be better off, and she can find her own love story, happiness and finally become a mother. But Hopes Crossing isn't the ideal location that Jesse or Clare dreamed. A bitter rival is trying to kill Jesse and take his mine. Jesse's broken heart won't allow him to love Clare the way she needs, and Clare refuses to live with a man who doesn't love her. When the enemy threatens Clare's life, Jesse realizes Clare has become a part of him, a vital piece of his heart and soul -- but is he too late?
