

The Sea Lions: The Lost Sealers

James Fenimore Cooper wrote many novels of sea adventure, and during his lifetime they were at least as famous as his stories of the frontier. *The Sea Lions*, originally published in 1849, tells of two ships seeking seals among the icebergs of Antarctica, and caught there during the long winter night. The first few chapters of *The Sea Lions* are set in Orient Point (at Sag Harbor, Long Island, New York), where Cooper also spent time, and bought shares in a whaling vessel which sailed from Sag Harbor.
