

Assassins Creed: The Secret Crusade: The Secret Crusade

Assassins Creed: The Secret Crusade is the thrilling novelisation by Oliver Bowden based on the game series. Niccolo; Polo, father of Marco, will finally reveal the story he has kept secret all his life - the story of Altair, one of the brotherhoods most extraordinary Assassins. Altair embarks on a formidable mission - one that takes him throughout the Holy Land and shows him the true meaning of the Assassins Creed. To demonstrate his commitment, Altair must defeat nine deadly enemies, including Templar leader, Robert de Sable. Altairs life story is told here for the first time: a journey that will change the course of history; his ongoing battle with the Templar conspiracy; a family life that is as tragic as it is shocking; and the ultimate betrayal of an old friend. Assassins Creed: The Secret Crusade is based on the phenomenally successful gaming series. Oliver Bowden is the pen-name of an acclaimed novelist.
