

The Shade Tree Choir

Eight year old Krame is known as the thinker to his gang because hes always the ones to plot their pranks so they dont get caught. At home theres no getting away with anything. Krames father is an alcoholic who beats him mercilessly, locks him away, forces him to stand at attention for hours and is deprived of food and water. His mentally ill mother is also an alcoholic and fails to give her son any scrap of emotional support. Things go on like this until tragedy strikes.
