

Shakespeares Comic World: The Early Comedies (The Directors Shakespeare Series)

How many ages hence Shall this our lofty scene be acted oer In states unborn and accents yet unknown! Julius Caesar, III.i.111 Many ages later, we are still enjoying Shakespeares works. But, too often, his plays are studied as literature, ignoring the fact that Shakespeare wrote plays for living performance. Richard Courtney puts the focus back where it should be, helping us to understand the works of Shakespeare as dramas intended for an audience. Written for directors and actors, the eight books in the series will also interest theatregoers, scholars, and the general reader seeking a fuller understanding of Shakespeares works. The introduction and end notes give helpful information on life in sixteenth century England, its language and beliefs, Elizabethan theatre and stages. Each play is analyzed scene by scene, with background on the history and the leading characters, and reasons for the choice of theme. From his own wide experience as actor and director, Richard adds anecdotes and examples to illustrate directing challenges and provide practical solutions. Shakespeares Comic World discusses The Comedy of Errors, The Taming of the Shrew, The Two Gentlemen of Verona, Loves Labours Lost, A Midsummer Nights Dream, The Merchant of Venice
