

The Silver Boat (Wheeler Hardcover)

A New York Times Bestselling Author -- Three far-flung sisters have come home to Marthas Vineyard one last time. Their mothers beach house is the only place any of them ever found true happiness, and they need to begin the difficult process of letting go. Memories of their grandmother, mother, and their Irish father rise up and expose the fine cracks in their family myth -- especially when a cache of old letters reveals enough truth to send them back to their ancestral homeland.
