

## Kawahara Lives (The Six Samurai of the West Book 5)

Having worked his way up from a lower class son of a samurai to the level of daimyo, the Japanese civil war has ruined everything for Daimyo Kawahara. Accused for crimes he did not commit, he has lost his province, family, wealth, and status. Luckily he was able to escape Japan with his life. As an outlaw without a plan, who speaks no English, disgraced Daimyo Kawahara accidentally ends up in Jasper City, a lawless upstart town on the west coast of America. Should he use his samurai skills for monetary gain? Or should he use restraint, and adhere to the idealistic moral code of a samurai that he has always known? To survive in Jasper City, he might not have a choice.
