Samantha Merricks second year of college started with heartbreak and betrayal. She'd completely given up on finding love again when a chance encounter brings her face to face with the man who would change her life. Tony Carteris never believed in love at first sight until he laid eyes on Samantha. But within moments of meeting her, he knew she was the woman he was put on this earth to love. There was only one problem Angela, his girlfriend of five years. Tony doesn't want to hurt Angela, with whom he shares a rich history, but his connection to Samantha is undeniable. Angela, however, is not about to let the love of her life go without a fight. When desperation takes a tragic turn, a chain of events unfolds that changes the course of their lives forever. It is a heartbreaking tale of true love, terrible timing, impossible choices, and how you find the strength to go on when you discover that, sometimes, love just isn't enough
