

## The Top Ten of Everything 2007: The Ultimate Book of Lists

If you want to know what or who was the best, worse, richest, fiercest, deadliest or simply biggest of practically anything, then this is the book for you, with over 600 lists on a diverse range of subjects. Praise for the book: The Times - Just as many pictures, just as much colour, but somehow more fulfilling in its desire to present 10 of everything, whereas Guinness makes do with one.
