

Paris Shorts Vol 1

12,512 story words. AudioBook also available. Protests, Yoga, the Latin Quarter, and Love in the evening. An extended family's humorous touching adventures in the City of Light.***Cafe Allonge at the Manifestation Eiffel Tower Pose on Family Yoga Day Grandma and Grandpa in the Latin Quarter Rendezvous, at Place Saint-Michel*Each story in the collection, Paris Shorts, is enjoyable as a stand alone work of fiction. Additionally, each has the advantage of featuring one or more of the characters in the story line of all my novels and short stories written since 2012. All four shorts are set within the seven novellas of the With the Children sub-series, in the Slumming in Paris series. Short stories like this, I believe, do not require reading the novel first, or any other of my fiction work. Yet, the stories will either enhance the reading of the fiction the characters participate in - or, if one has already read the related novel, will give extra meaning and nuance to the short story. My wife Sheila and I spent 5 1/2 weeks in Paris late 2012, which has formed the setting basis for the Slumming in Paris novels, and these short stories. My ongoing series Paris in 5 1/2 Weeks presents many of my photos taken then, which I hope you will also enjoy. Maybe best of all, is my all Paris page :-) with links to all things Paris, on my site :felipeadanlerma.com/paris/ . With best wishes, Adan
