

The War Prayer (Annotated)

Written by Mark Twain during the Philippine-American War in the first decade of the twentieth century, *The War Prayer* tells of a patriotic church service held to send the town's young men off to war. During the service, a stranger enters and addresses the gathering. He tells the patriotic crowd that their prayers for victory are double-edged—by praying for victory they are also praying for the destruction of the enemy... for the destruction of human life.
