

Fire Master Rising (Winters Saga Book 3)

The Winters have been to Hell and back, but through it all, they've always come back together, bonded stronger and unified to face the magical world they are now a part of. Power in numbers they say. Rebecas pack grows stronger everyday despite rising threats and old foes come calling. Miracle and Mystery are finding their places, Savannah is slowly acclimating to her new vampiric life, and Hunter has grown into a strong fire witch, gifted with the power of empathy. To make life perfect, all he needs is to escape his prison, save his sisters, and live a happy life with Natalia, but life rarely works out as planned, and Hunters life is about to take off on a dangerous roller coaster ride. Will he survive? Is happiness a hopeless dream? Find out in Fire Master Rising, book three of the Winters Saga.
