

Stolen Souls (An Imp World Novel)

Nyalla is dog-sitting for Satan. Its a sweet gig for a girl who, up until recently, had been a slave to the elves in Hel. The house is amazing, shes got the key to the Corvette, and although Boomer is a Hellhound, hes also a lovable, slobbery companion. When a newly interred corpse vanishes, followed by a series of grisly murders, Nyalla cant help but wonder if Boomers odd diet has taken a deadly turn. Could the dog be to blame or is there a more sinister creature on the loose? Nyalla must stop who is behind it all before more die - and before the county puts Boomer on death row.
