

B.A.D.4 (Bad Ass Dame)

Drunk, fired, down and out Takas enemies are belly-rolling in her pain and suffering, just waiting for the chance to kick her while shes down. But they do not know with whom they are f--king with. Some really foul sh-t is going down back in the D.R. with her mom. So many people need Taka back and strong. Will the bottle keep her down or can she climb from her depressions and deliver the ass-kickings we all have come to know and love.
