Must reading for everyone planning to bring their family. Katie Couric Fodors Walt Disney World with Kids, 2010 Edition. Entering its 20th edition, Fodors Walt Disney World with Kids delivers the definitive but always-easy-to-access advice of former Disney Magazine contributing editor Kim Wright Wiley, who has logged more than 50 visits to the parks both as a keen-eyed journalist and as a parent. Every family needs her tips and insider knowledge to make the most of a trip to Walt Disney World. Wiley not only rates attractions and rides based on their age-related suitability and scare factor but also incorporates feedback from hundreds of families who, like her, have not-so-tirelessly field tested it all. Inside readers will find: -Everything a family needs to choose the right hotel, including driving times to the parks from each property - Full ratings as well as quick-reference charts for the most kid-pleasing rides and restaurants - Must-see attraction checklists geared to young kids, preteens, and teens - Time-saving tips, such as how to avoid crowds and lines at the park - Insider secrets and the skinny on Hidden Mickey's - Cautionary tales and success stories from parents about their park experiences - Convenient maps of Walt Disney World and Universal Studios
