

Total Eclipse of the Heart

The New York Times bestselling queen of erotica is back with a provocative and sensual new novel of love, heartbreak, and total liberation. Waitress Brooke Alexander is in love with Patrick Sterling, one of the most prominent attorneys in Washington, D.C. On his good days, Patrick is the man of every woman's dream. On his bad days, he's a complete nightmare... . Compassionate and honest, Damon Johnson worships the ground his wife, Carleigh, walks on, while she treats him like a trophy husband and views his life aspirations as a joke. He's beginning to wonder if he made the right decision when he asked for her hand in marriage... . When a tragic event brings Brooke and Damon together, they see truths about their relationships they never wanted to accept. Sometimes two people meet by pure chance, but sometimes it's ... a total eclipse of the heart.
