

## Touched by Fire

**TAINTED BY SCANDAL** Divorced, disgraced, robbed of her legacy and her pride, a desperate Hannah Shelton stages her own death and leaves the Pennsylvania home town that scorns her. Passing herself off as an innocent mail-order bride, she arrives in Wisconsin to meet her future husband--never anticipating the flames of passion that will sear her soul, and send her into the arms of another man. **TEMPTED BY DESIRE** Strong, steadfast John Aldman is pleased with his pretty bride-to-be, but it is his brother, Daniel, whose every glance, every gesture touches Hannah's heart with fire. Just when desire threatens to burn out of control, Hannah's deception is discovered, sparking off bitterness that may cost her Daniel's love. Now, while raging brushfires blaze through the land--as red hot and unstoppable as the passion of two lovers--Hannah knows she must confront her past...before she can claim a love destined to burn brightly forever.
