

# Alberta Backcountry Equestrian One-Day Trail Guide

Everything you need to know to explore the backcountry on horseback is in the Alberta Backcountry Equestrian One-Day Trail Guide. Jam-packed with interpretive notes on wildlife, plants, geology, local history and even horse language, this book tells you where to go, how to get there and what to do to have a successful one-day ride. Every trail, trailhead and campground has been personally researched (and photographed) from an equestrians point of view, with a focus on safety. In addition to detailed trail information and maps, there are also tips from a formidable array of experts, mountain men par excellence and seasoned outfitters with years of experience. Whether youre a novice or an experienced rider, this intriguing book—updated following recent flooding—is for you.
