

Duke: Transformations

MA: for mature readers This is the story of Duke, who has the ability to change, from human to black German Shepherd, and somewhere in between. It started out simple enough, compulsory military service in Israel, typically light-duty work, a working vacation, Mike called it hang out in the Mediterranean for a few months, get out of two humanities classes, and for Duke, his Jewish studies. As the Mid-East conflict explodes around them, one makes a spiritual journey while the other has a crisis of faith. At the Pound, a place for the sick, physically and/or mentally, four cases of malformation or defect, and those are just the walk-in cases, the hardship cases kept behind bars ... New friends, new loves, new directions, Transformations, will change things forever. An erotic drama, with laughter and tears, his story will touch you, and have you touching yourself.
