

162 Traditional and Contemporary Designs for Stained Glass Projects (Dover Stained Glass Instruction)

For centuries, elegant and beautiful stained glass has enhanced churches, homes and other buildings. Its popularity continues today as increasing numbers of homeowners, interior designers, and craftspeople turn to this attractive form of decoration. Now stained glass workers can have a treasury of attractive, usable designs at their fingertips, ready for use in almost any stained glass projects. This collection includes over 160 patterns in both traditional and contemporary styles all easily adaptable as templates for stained glass work. Landscapes, geometric shapes, florals, and birds are among the wealth of motifs presented. Whats more, the designs come in a wide variety of sizes and shapes, making them ideal as patterns for windows, mirrors, panels, sidelights, and other stained glass configurations. Immediately usable and royalty-free, these designs also lend themselves to a broad range of other art and craft projects.
