

Trent and Megan (Young Adult Romance)

Explanation from TrentMy mom surprised me with a computer that she won on an online auction. Turns out the files from the computers previous owner were recoverable and I recovered them. And what I readwhoa. Holy smokes! It rocked my world. It was a girls journal. A girl that lived in Australia for all I knew at first. Not going to lie, I was kind of falling in love with the mystery girl, but I figured I would never meet her. Only as I read about the girls life I slowly began to realize not only was I falling for the girl but I KNEW the girl. Well, sort of. Her name was Megan, and she went to my school. Only shes what my cynical ex-girlfriend calls, Miss Goodness and Light. Not exactly my type. Usually. But now that I knew her innermost thoughtsman, I could NOT get Miss Goodness and Light out of my head. Or my heart. Only, HER heart still belonged to her cheating ex-boyfriend. So, I had to come up with a way to make her give me a chance without her actually knowing she was GIVING me a chance. (Cause I wasnt exactly HER type either.) (Im kind of known as a player.) So, I made Miss Goodness and Light a dealthe Dating DealId help her get her boyfriend jealous and let him see what a desirable, awesome girl he was losing. But the thing was, I already knew what an awesome, desirable girl he was losing and I wanted him to lose her. Bad. Suddenly, this dirt-wad player (me) wasnt playing around. For once in my life I was serious about a girl. Only the girl seriously didnt want anything to do with me. Well, anyway, she was TRYING thatto not want me. But hey, good luck with that.
