

Tristan Michel: Bloodline of Passion (The Gastien Series)

From the bustling streets of New York City to the smoky speakeasies of Roaring Twenties Chicago, Tristan finds huge financial success. Along with respect, tradition, and family, he promises himself that this will be enough. Having achieved peace by forgiving his father his debauchery, he's certain that there is nothing that could induce him to follow in his father's lascivious footsteps. Like father, like son will never apply to Tristan. Then the urgent whisper that has been telling him there should be more than what he is experiencing with his wife becomes a full blown roar. With a very proper wife that refuses to loosen up, Tristan learns that the passion of the father is very much the passion of the son. To deny it may be impossible, but to embrace it could cost him everything. This historical fiction novel is book 3 of a 5 book drama/family saga for adults (The Gastien Series). As such, it contains adult themes and graphic scenes. Each book can stand on its own, but is most compelling read in order.
