

## Turning Point (Kirov Series) (Volume 22)

KIROV SERIES: Turning Point Season 3, Book 6 Series Volume 22 About Turning Point... Battlecruiser Kaiser Wilhelm and the light carrier Goeben have stumbled upon a prize of great value deep in the South Atlantic. As they move north, the hunt for the German raiders is taken up by a pair of new British cruisers, and neither side knows how much may be at stake in the outcome. Half a world away, the Soviets launch their winter counteroffensive in a desperate attempt to stem the German tide, and force a turning point in the bitterly contested struggle on the frozen east front of early 1942. In the Pacific, Montgomery has stopped the Japanese and saved the embattled island of Singapore, but for how long? The rising tide of the Japanese offensive now sweeps around the Rock of the East to threaten Sumatra and Java, forcing Churchill to make the most difficult decision of the war. The battle begins with a brave challenge by Admiral Doorman in the Java Sea, yet soon both Axis and Allied forces will find their plans rudely interrupted by a force and power no one ever expected. Something has emerged from the ashes of a great disaster that now threatens to weigh heavily in the balance of the Pacific War. Meanwhile, Generals Wavell, OConnor, and Kinlan launch a new offensive in Operation Supercharge. Holding nothing back, they hope to engage and defeat Rommels Afrika Korps once and for all, to decide the contest in Libya and pave the way for the great campaign against French North Africa. The continuing alternate history of WWII in the amazing Kirov Saga!
