

Two Years Before The Mast: By Richard Henry Dana - Illustrated

How is this book unique? Font adjustments & biography included Unabridged (100% Original content) Formatted for e-reader Illustrated About Two Years Before The Mast by Richard Henry Dana Two Years Before the Mast is a memoir by the American author Richard Henry Dana, Jr., published in 1840, having been written after a two-year sea voyage starting in 1834. A film adaptation under the same name was released in 1946. The term before the mast refers to the quarters of the common sailors in the forecabin, in the front of the ship. His writing evidences his later sympathy with the lower classes; he later became a prominent anti-slavery activist and helped found the Free Soil Party. Dana did not set out to write Two Years Before the Mast as a sea adventure, but to highlight how poorly common sailors were treated on ships. It quickly became a best seller.
