

## The Rough Guide to Los Angeles 3 (Rough Guide Travel Guides)

Fully updated, this irreverent guide to the City of Angels focuses on both the major tourist destinations as well as lesser-known gems and curiosities. A colour photograph section brings the city's highlights to life, from the Hollywood Hills to Santa Monica Boulevard. Each chapter gives detailed coverage of each area's attractions, from accommodation and restaurants to galleries, shops, sports activities and child-oriented diversions. There are also feature articles on such subjects as Hollywood, LA on film, architecture and LA people.
