

Occupied Seattle (Volume 2)

SECOND EDITION! Note: This edition has been revised to account for current events and re-edited.

The Chinese Have Captured Seattle!

In 1949, the government of the Republic of China fled to the island of Taiwan. For nearly 70 years, mainland China wanted to take the island back and unite the nation under one flag, the Communist flag. Their desire was thwarted by U.S. support for Taiwan, until the Chinese conceived and executed the perfect plan to keep the U.S. out of the war for Taiwan, an invasion of Seattle!

Yesterday, China captured the cities of Seattle and Tacoma, Washington, in a Pearl Harbor-like surprise attack. The Chinese also captured six American nuclear warheads and are not afraid to use them on American soil, if necessary to keep the United States out of the war in the Pacific.

Without U.S. aid, the fall of Taiwan seems imminent, and now even Seattle seems lost to the Chinese. Americas hopes are riding on a shot-down FA-18 pilot, a retired Navy SEAL, and a platoon of Army Rangers.

If thats all America has going for it, all hope seems lost!
