

# Beginners Guide to Raised Bed Gardening: Grow your Own Salad Garden

A No-nonsense Guide to Growing your own Salad Vegetables This is a gardening book for non-gardeners, for people who lead busy lives and want a quick, simple way to add some organic vegetables to their diet. This practical guide covers all you need to know, from selecting the right spot to preparing the soil to planting and harvesting. Includes natural ways to prevent pests in your garden. Even if you've never grown a plant before, *Beginners Guide to Raised Bed Gardening*, has all the information you need to create a salad garden.
